### LOCAL AND PERSONAL

Join the rabbit club.

P. L. Baker of Rock Valley was in town Wednesday on business.

The Kenna students at the Silver City Normal will return home Sunday or Monday.

A. G. Pirtle returned yesterday from a visit to his old home at Mena, Arkansas.

The dry weather does not seem to bluff the homeseekers, who continue to arrive daily.

Showers have threatened every day for the past week, but the Kenna country is still dry.

From all reports Kenna continues to be the best produce market between Clovis and Roswell.

P. J. Williamson and family have moved from the Benz property to his place just north-east of town.

Miss Inez Kimmons of Picketon, Texas, came in Wednesday for a visit with her uncles, John and Lee Kimmons.

Jim Clubb has bought the restaurant of Smith & Keller, and will endeavor to feed the hungry in the very best style.

John Keller has bought a ranch in the Olive country and is improving and stocking the same.

John Mims is building an addition to his shop which will accommodate the blacksmithing department, leaving the main building for Auto work.

### FROG CITY ITEMS

(Received too late for publication last week.)

A big meeting is going on at New Hope, and Brother Knight is doing the preaching.

C. C. Davis is building a new house, which will make his ranch look good.

N. B. Cullins last a good mare last week with the pink eye.

Hascal Todd is qualifying for the Shan-Kive. He roped a coyote Sunday.

Some have had the blues, but since the big meeting has started at New Hope, we think they have got over them.

C. C. Davis and wife and Miss Rose Davis, all spent Sunday with J. M. Proffer and wife.

Dave Garner says he is going to leave New Mexico soon. He has a new boy at his home and as it is the first one, he does not think rabbits good enough for him.

Ed Strawn went to Elida last week on business.

## LIVESTOCK

Kansas City, Monday, July 17, 1916.—The cattle market gained 10 to 25 cents last week after touching the low spot late Tuesday and Wednesday. This encouraged loading for today to some extent, although the break first days of the week was hard to accept. Receipts today are 19000 head, and the market uneven, steady to 15 lower. A good shower about noon put some firmness into the situation.

### BEEF STEERS

No strictly prime cattle were here, conditions not looking promising last week. Pretty good Missouri corn and grass steers sold at \$9.25 to \$10.00. Kansas shipped freely, and good wintered steers sold at \$8.25 to \$9.00, second and third grade steers \$7.00 to \$8, weights up to 1150 lbs. in these classes. Oklahoma and Kansas grazed Texas steers brought up this spring sold down to 6.25 in the quarantine division only 37 cars arrived, and sales were 10 lower. Average quality was not very good, best North Texas fed steers here at 8.25, though better ones would sell up to 8.50, medium steers around 7.75, Oklahoma grass steers 5.75 to 7.25. Butcher grades sold only a shade lower, top yearlings mixed 9.75, straight heifers 9.50, from Nebraska, top heavy cows 7.75, grass cows 6.00 to 6.50, some good white face grass cows at 7.00, real calves 8.00 to 11.00, bulls 5.75 to 7.25.

### STOCKERS AND FEEDERS

Prices closed last week at the low point of the summer, although there were signs of a better trade this week. All the yard traders are back in the harness, after their summer absence, and bidding today was more spirited, sales steady to weak. A good rain here at noon helped the situation, as it came easily, and gave hopes that the dry spell was broken elsewhere. Common to fair stock steers sell at \$6.00 to 6.50, good ones \$7 to 7.50, best ones 7.50 to 7.75, feeders 7.25 to 8.00.

### HOGS

Receipts were 9000, market steady to 5 lower, top \$9.85, bulk 9.55 to 9.80 lights up to 9.70. The market opened with threats of a 10 cent decline, but good orders materialized, and most of the sales were less than 5 cents lower. Receipts are not burdensome anywhere, and there are no indications of a heavy supply soon, although distant points are contributing hogs regularly. For these reasons, although prices have declined slightly during the past week, faith in future strength in the market remains.

### SHEEP AND LAMBS

After a week of strength, lambs broke badly today, sales 25 to 40 lower. Two shipments of Idaho lambs brought \$10.30,

which is the top in Omaha today. Natives brought 10.25 today, Idaho yearlings 7.85 and 7.90, Texas wethers and yearlings late last week 7.70. There is an extraordinary demand for breeding stock, some three to six year old black face native breeders, 105 lbs, average, selling up to 8.75 last Friday. Good western breeders bring around 7.50 and feeding lambs up to 8.75.

J. A. Rickart,  
Market Correspondent.

Kansas City, July 19.—Cattle—Receipts 7,000. Market steady. Western steers, \$7.00@9.35; stockers, \$6.00@7.00; bull 7, \$5.75@7.00; calves, \$6.50@11.00.

Hogs—Receipts 10,000. Market steady. Bulk, \$9.65@9.85; heavy, 9.8@9.90; light, 9.50@9.80; pigs, \$9.00@9.40.

Sheep—Receipts 4,000. Market steady. Lambs \$10.00@10.35; yearlings, \$7.65@8.00; wethers, \$7.35@7.60.

### Rabbit Club.

Bob Robertson is boosting the organization of a rabbit club, the purpose of which is to exterminate the jack rabbits. A membership fee of one dollar is charged, which is placed in the bank to be divided among the three members bringing in the greatest number of scalps. This is a move in the right direction, and as there is no limit as to territory of membership several hundred members should easily be secured, which would make the premiums very interesting.

### UTAH MOOSE LEADER SPEAKS FOR WILSON.

Salt Lake City—Hugh A. McMillan, acting State chairman of the Utah Progressive party, believes that the Utah members of the party will refuse to allow Roosevelt into the Hughes camp. Speaking of the action taken at Chicago, he said: "In my opinion the Progressives of Utah will emphatically decline to follow a leadership which has repudiated the principles which gave birth to the organization, viz., opposition to the control of the country by a crowd of self-interested plutocrats, whose every action denies the cardinal principle of equal opportunity. "For myself, believing that Mr. Wilson has the rare genius of keeping his ear to the ground listening to the demands of the people and the still, rare genius of being responsible to the people's demands, I will stand by the President and vote for Wilson."

Progressives who remember what their 1912 platform demanded will not fail to remember that most of its planks have been made by the Democratic Congress and that the Republicans tried to prevent the legislation.

The Philadelphia North American estimated that Hughes would draw 60 per cent of the Progressive vote, while Wilson would get only 40 per cent. Even that division would give Wilson the election by some 2,000,000 plurality.

The Progressives are asked to go back under the leadership of Penrose and Smoot in order to defeat Wilson, who has put through nearly all the legislation the Progressives themselves demanded in "the greatest document since Lincoln!"

By way of explanation, in the interest of historic truth, it was Chief Justice White (not Associate Justice Hughes) who handed down the U. S. Supreme Court decision upholding the validity of the income tax on every count. It was Governor Hughes (afterward Associate Justice Hughes) who delivered the exhaustive message against the income tax.

Genuine Progressives who followed Roosevelt in 1912, not because he was a popular idol, but because they believed in the demands made by their party platform, will do well to reread that first pronouncement of their political faith. The Democrats have already made most of it into law.

## THE REASON WHY--

many people never have their share of this world's good things is because they fail to cooperate with their own interests, many of them without thinking to be sure, but never-the-less to their own injury.

**For Instance:** If you are not patronizing your home bank you are not cooperating with one of your best interests. You surely know that a good safe bank in your community substantially enhances the value of your land. It helps you get a better sale for your cattle and produce by keeping constantly on the alert to bring buyer and seller together to the best advantage. It is not altogether through selfish motives that your home bank solicits your cooperation, but the interests are mutual. We need your patronage and cooperation to increase our strength and ability. You need your home bank at it's best strength and ability, for it speaks well for your community, enhances the value of all your property, finances your business in a pinch and keeps the wolf from the door. We need you. You need us. Let's cooperate, we will meet you half way.
